

## Spaghetti And Jelly Baby Towers: Building Challenge

<b>Activity</b>	<b>Overview</b>
Spaghetti and Jelly baby towers	<p>Working in groups of 4's, groups have to build the tallest free standing tower that they can, using only spaghetti and jelly babies. Little to no guidance should be given to the groups as we want to see what ideas they can come up with on their own. Groups can use the table or the floor to build their designs but the structure must be completely free-standing.</p> <p><b>Timings as follows:</b></p> <ul style="list-style-type: none"><li>• 5 minutes should be spent on the explanation and splitting the groups</li><li>• 15 minutes should be spent on the actual activity</li><li>• 5 minutes should then be spent on walking round the groups, measuring the designs, talking about the structures and declaring a winner.</li></ul> <p><b>Equipment needed:</b></p> <ul style="list-style-type: none"><li>• Jelly babies</li><li>• Spaghetti</li><li>• Tape measure</li></ul>
